I, not events, have the power to make me happy or unhappy today. I can choose which it shall be. Yesterday is dead, tomorrow hasn't arrived yet. I have just one day, today, and I'm going to be happy in it. Groucho Marx

It took a lot of blood, sweat and tears to get to where we are today, but we have just begun. Today we begin in earnest the work of making sure that the world we leave our children is just a little bit better than the one we inhabit today. [Barack Obama](https://www.barackobama.com)

### Housing Need Test Newtownbutler :

Rural Housing Association are supporting the Housing Executive with a social housing needs test in Newtownbutler, as we are trying to determine if there is a need for social housing in the village.

The main objective of a housing need test is to encourage anyone in need of a home in the area to come forward and register an interest via the community event, email or over the phone. We then collate responses in order to determine if there would be demand for new housing in the village.

To encourage local participation we have organised a housing event. The drop-in event will be held on Monday 20<sup>th</sup> February at Newtownbutler Community Centre, 3-5 Bridge Street, Newtownbutler, from 5.30pm to 7.30pm.
