Housing Need Test Newtownbutler :

Rural Housing Association are supporting the Housing Executive with a social housing needs test in Newtownbutler, as we are trying to determine if there is a need for social housing in the village.

The main objective of a housing need test is to encourage anyone in need of a home in the area to come forward and register an interest via the community event, email or over the phone. We then collate responses in order to determine if there would be demand for new housing in the village.

To encourage local participation we have organised a housing event. The drop-in event will be held on Monday 20th February at Newtownbutler Community Centre, 3-5 Bridge Street, Newtownbutler, from 5.30pm to 7.30pm.
